

Thirteenth Sunday of the Year

June 27, 2010

Christ's call to discipleship demands our detachment from the "bones" of the past, from the beliefs and rationalizations we cling to, from our "busy-ness" that we use to distract us from the things of God. In calling us to be his disciples, Jesus requires us to let go of our own needs and wants, our fears and doubts, in order to free ourselves to do truly great things for the love of God. In preferring compassion over profit, in operating out of a sense of gratitude rather than regret, in seeking reconciliation before requital, we are able to know the unique joy that can only be experienced by bringing the reign of God to reality in our own time and place.

Peter's Pence Collection

This week, as a parish, we will participate in the Peter's Pence Collection for the works of the Holy Father. This collection enables the Holy Father to respond to requests for emergency funds from the most needy throughout the world. The Gospel continually challenges us to lend a helping hand to those in need, to help build a better world with justice for all. This special collection is an opportunity to demonstrate justice as well as kindness to our brothers and sisters in need. Please pray for the Holy Father's works and contribute generously to the appeal.

Volunteers Needed!

The Children's Liturgy of the Word will be suspended during the months of July and August. If you would like to be part of this important ministry of the church, please contact Fr. Workman.

Six high school and 16 elementary school recipients were selected. Olivia is to be commended for her excellent essay on "*Jesus said He came to serve. What does that mean to you in your life?*" The essay was a requirement, and its content displays a great appreciation for the Catholic education in Olivia's life.
