

# Sixth Sunday of Easter

## May 9, 2010

*The love of a mother for her child mirrors the love of God for us, his sons and daughters. In the midst of a parent's complete and unconditional love, God - Father and Son - dwells. On this Sunday, we as a nation honor the generous, committed women who have taken on the vocation of motherhood. In our mothers' love, we also come to realize what it means to love as God has loved us. Our identity as "children of God" and brothers and sisters in the Risen Christ is centered in our striving to imitate that love; in embracing Christ's spirit of unconditional, sacrificial love, God makes his dwelling with us.*
